Work Experience

Dental Assistant

My Dental Dentistry and Implants (April 2021-Current)

- Effectively communicated needs and/or issues between doctors and patients
- Worked in a team to ensure patients leave in a timely manner
- Assisted in general dentistry including fillings, crowns, extractions, and implant placement
- Tracked incoming dental cases and maintained correspondence with dental labs to coordinate punctual delivery

Sign Installation

SpellItOut Company (May 2020-April 2021)

- Meticulously installed signs in clients' yards for celebrations such as birthdays or graduations
- Designed layout of signs to best match the requests of the client

Missionary

The Church of Jesus Christ of Latter-Day Saints in Paraguay (February 2018-February 2020)

- Constantly studied to increase knowledge of local language (Spanish) to improve ability for public outreach
- Developed relationships with local community members and organizations
- Worked in pairs to deliver clear, concise messages and invitations
- Directed, oversaw, and coordinated the service of up to 16 volunteers

Delivery Driver

Jimmy John's Gourmet Sandwiches (June 2016-February 2018)

- Answered phones and recorded customer orders
- Coordinated with team members to deliver product in a timely manner
